

Pepsi Refresh Project

Our application to be part of the Pepsi Refresh Project has been accepted and we are listed in the running for \$250,000 in the June voting! There will be only 2 grants at this amount.

It is up to all of us to get out the vote and vote every day for the next 30 days. Each person gets 10 votes per day for the month of June ... one vote per project and you can't vote all 10 for Freedom Dogs. What we need to do is organize a network to vote for our project and get as many as possible to vote everyday.

To register to vote go to www.refresheverything.com (you can click on this link) and it will take you to a log in screen where you register.

Then select the Health category and the \$250,000 category and then click on "Vote for this idea" for the Freedom Dogs project.

Please send this out to your network of friends, post it on your facebook page ... "tweet" your friends ... and remember to vote ... every day in June ... we can win this!

One last thing, there is a new rule about not using multiple e-mail accounts ... our key to success is to get the word out to each of our network of friends and get them to vote once a day ... every day ... in June!

ALSO

Freedom Dogs has a better chance of winning the \$ 250,000 Grant from Pepsi Refresh if we support nine other organizations, collectively, and ask for their

support of us. Below is a list of 9 Organizations in the running for \$5,000, 25,000, or 50,000 Grants. Please vote each day for these 9, in addition to FREEDOM DOGS.

Thank you for your support!
